

Residents of Kingsbridge MUD

On Tuesday June 4, 2013 BEST TRASH will be your new trash and recycling collection provider.

Household garbage will be collected twice a week, on Tuesday & Friday.

Recycle will be collected once a week on Friday.

Best Trash garbage cans and recycle carts will be delivered by June 4, 2013.

*****We will need to confirm with current garbage collector on plans for collecting their containers, I will list it here when we have that information.*****

Please place all items for collection out to the curb by **7:00 a.m.** If you have more trash than what the Best Trash cart can hold, please place bags or cans (30-50 gallons each) next to the Best Trash provided 95 gallon cart. If you have more recycle than the Best Trash recycle bin can hold, please place bags or cans labeled "RECYCLE" next to the Best Trash provided 18 gallon recycle bin.

Items excluded from normal collection are dirt, rocks, bricks, concrete, tires, batteries, motor oil, cooking oil, waste generated by a private contractor or any materials or items deemed hazardous materials. Please do not dispose of gasoline, motor oil, paints, cooking oil, or any other liquid items in a container that is not visible to Contractor personnel. If it results in spillage, that causes a stain, Best Trash is not responsible for the clean up. Best Trash will leave a tag explaining the reason for non-collected item(s).

Trees, shrubs, brush trimmings and fencing must be bundled in lengths **no greater than 4 feet with no branch diameter exceeding 3 inches**. The bundling is required to allow quick pickup and size limitations are required to avoid damaging the equipment in the crushing process.

Items such as appliances, furniture, carpet (**up to 1 room, rolled up four feet wide and less than 40 pounds**), will be picked up either of your collection days. By Federal Law, refrigerators and freezers or any other items containing Freon must be drained of Freon and have an accompanying bill to validate such service was performed.

An enhanced feature of BEST TRASH is special pick up for items excluded by the contract. If notified in advance, Best Trash will meet with you prior to collection day to determine a price to haul away non-contract items. If you do not notify Best Trash of such a special pick-up before your scheduled pick up day, Best Trash will leave a notice for you to contact Best Trash during normal office hours to arrange for a price and time for the extra pick up.

Best Trash takes great pride in our recycling program and efforts. Ensuring the best recycle program for our customers takes time and effort on both sides. Please remove caps, liquids and food products from inside the containers. Please only use the recycle bins for recyclable materials, not as an extra trash container.

Best Trash will collect **papers (including cardboard), plastics, aluminum and tin cans and glass** that are placed within the provided recycling bin. If items exceed container capacity, please place them adjacent to bin well marked as recycling materials. If you find items left in your bin, it means they are not recyclable. Please dispose of these items in your trash container for the next scheduled pick up. Best Trash will provide each current residence with one 96 gallon poly cart and one recycle bin. Best Trash will replace any carts or bins that are defective or otherwise become unusable due to normal wear and tear. If for some reason the recycle bin is lost or stolen, you can call Best Trash to have it replaced for a \$9.00 fee. The same goes for the provided poly cart; if lost or stolen the replacement fee for the cart is \$80.00. Residents are welcome to use their own trash containers provided that they follow the requirement that recycle containers are labeled "recycle" and that trash is placed in 30-50 gallon cans or in bags.

Holidays: If your regular pick-up falls on a holiday (New Year's Day, Memorial Day, July 4th - Independence Day, Labor Day, Thanksgiving Day, and Christmas Day), the pick-up will be made on the next regular scheduled pick-up day. If your recycling day falls on a holiday it will be picked up the next week on your normal scheduled recycle day.
